# NEW 3D PRINT REQUEST FORM

## **Why?**

We have limited PLA so for budgeting reasons we need a method to present to the college of new student projects

Almost everything will pass ,  
granted it complies with title 9

## **Review**

Can be done with any of the project leaders or at any of the meetings, but ultimately to pass uc board the President (Drew), VP (Mitch), Treasurer (Temp Mitch), and the Club consultant (Jeremy). Need to show the finance department why were spending their money

**FUTURE PLANS?**

A series of white, thin, overlapping geometric lines on a black background, forming a complex, abstract shape on the left side of the slide.

THANK YOU
